Subject: Protest Information, October 30, 2020

Thursday night recap

As of 5 PM Thursday, October 29:

11 ATMs that were attacked but in the majority of incidents the money boxes were compromised.

More than 172 arrests have been made to date and 18 CVN or Code Violation Notices. More than 57 officers have been injured.

212 felony or misdemeanor arrests. 18 CVNs & 18 vehicles damaged.

Two men have been arrested in connection with the van stopped on the Parkway Wednesday night. Believed to be connected to the ATM attacks.

A "Traffic Box" was established in Center City (8th to 20th, Arch to Walnut) at around 8 PM last night as a planned measure, not in response to an incident. Roads are reopened this morning.

While there was no curfew in place last night, city residents were urged to remain home unless travel was absolutely necessary.

Friday morning updates

For any businesses or organizations that sustained damage please preserve any video footage or photographs / evidence for further investigation.

It should be noted that some of this information describes first amendment-protected activities. The DVIC / Philadelphia Police Department recognizes the constitutionally protected rights to assemble, speak, and petition the government. The DVIC / Philadelphia Police Department safeguards these rights and only reports on first amendment protected activities for situational awareness in the interest of assuring the safety and security of the demonstrators and the public.

Demonstrations could develop in real-time this evening. The Philadelphia Police Department will increase officer presence around the city at key locations, including commercial districts. The City is not encouraging businesses to close early.

Businesses can take the following steps to prepare for potential protest activity:

- Bring signs, flags, flowerpots, or any other non-fixed objects inside.
 - Keep the property well-lit when the business is closed.
 - If security cameras are installed, make sure they are in working order and you have data storage available before leaving the property; windows, doors and any access points should be visible to the cameras.
- Please make sure to leave any exterior lighting on around your businesses even if you decide to close.
- Secure all commercial dumpsters.

The City is not recommending that all storefront businesses board up all doors or windows. However, any businesses that are openly accessible because of past vandalism or other reasons should board up so that their properties are properly sealed off. If vandalism appears imminent, business owners are encouraged to secure their property as best and safely as possible. If businesses see vandalism in progress, they are encouraged to call 911.

City Operations

The City's Emergency Operations Center (EOC) is ACTIVATED 24/7 until further notice to support resource and information support and coordination.

School District of Philadelphia (SDP) facilities are OPEN today.

Transportation / Transit Operations

SEPTA subway / regional rail / trolley service operations are operating on or close to schedule.

All SEPTA bus routes are operating normally. There are no situation-specific detours in place, but for updates on specific routes go to the SEPTA System Status viewer online: <https://realtime.septa.org/systemstatus> (copy and paste into browser). You can also follow SEPTA on Twitter @SEPTA

PATCO trains are operating on or close to schedule. For updates on the system status go to <http://www.ridepatco.org/>. You can also follow PATCO on Twitter @RidePATCO

DRPA bridges are open.

Mutual Aid

County mutual aid resources have been deployed to support emergency operations activities.

PA National Guard will be providing supplemental support to Philadelphia at the request of Mayor Kenney and approved by Governor Wolf. They will be arriving in Philadelphia around noon today (10/30) and will have a presence in the area of City Hall. Other locations may be added as needed and details will be communicated as available.

Social Media Resources

You can follow the following Twitter accounts from the City of Philadelphia for timely updates - @PhiladelphiaGOV, @PhilaOEM, @PHLCommerce, and @PhillyPolice
